

Appendix C: Director's Orders

Director's Orders provide guidance for implementing certain aspects of NPS *Management Policies*, and are used as a vehicle for updating *Management Policies* between new publishing dates. In many cases, Director's Orders are further supplemented by handbooks or reference manuals. Not all Director's Orders have been completed as of the publication date of NPS *Management Policies*. Copies of those that have been completed may be obtained by contacting the NPS Office of Policy or the appropriate program office, or by accessing the NPS World Wide Web site at www.nps.gov .
